

Insects

Primary

Save time and energy planning thematic units with this comprehensive resource. We've searched through the 1989–1999 issues of *The Mailbox®* and *Teacher's Helper®* magazines to find the best ideas for you to use when teaching a thematic unit on insects. Included in this book are favorite units from the magazines, single ideas to extend a unit, and a variety of reproducible activities. Pick and choose from these activities to develop your own complete unit or to simply enhance your current lesson plans. You're sure to find everything you need right here in this book to create an integrated unit that will give your youngsters something to buzz about!
